

Geraldson Community Farm Workshare Application

A workshare member is one who works either 5 hours per week for 20 weeks of the season. For 5 hours, the member will receive a free full share. Workshares are important to the farm because these members develop skills over the season and help to meet the farm's labor needs. Workshare members will be assisting with specific tasks outlined in their volunteer duties. Everyone must be able to lift at least 30lbs and bend frequently. Harvest times, Wednesday from 8am to 11am and Saturday from 8am to 11am, do not count as workshare hours because we have so many volunteers.

This year 7 workshare positions are available. The "positions" available are as follows:

- Two (2) positions to host pickups, one on Wednesday from 2:30pm to 6:30pm and one on Saturday from 10:30am to 2:30pm
- Five (5) field positions– bending and lifting REQUIRED

Name:

Address:
